**DEPARTMENTAL PETITION**

Undergraduate       Graduate

This petition is a request for the waiver of a departmental regulation. In the appropriate places, state the rule that you wish to have waived and the special circumstances which you believe justify a waiver. If additional space is needed for your comments, attach your statement to this form. Supporting documentation, if any, should be submitted with this form.

Completed petitions should be turned in to the Department of Computer Science and Engineering, 303 Russ Engineering Center, Wright State University, Dayton, OH 45435. The petition will be forwarded to the appropriate committee. After consideration by the committee, you will receive written notification of the decision.
