WRIGHT STATE UNIVERSITY
SCHOOL OF GRADUATE STUDIES

COLLEGE OF ENGINEERING AND COMPUTER SCIENCE
DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Master of Science in Computer Engineering
PROGRAM OF STUDY

Effective June 2008

Student's Name:_____
Last **First** **Middle**

University ID Number:_____ **Projected Completion Date:** _____

[ ] Thesis **Thesis Advisor: TBD/**_____
[ ] Non-thesis

Degree Requirements:

- Completion of all prerequisites identified upon admission to the program
- Completion of the Computer Engineering Core Courses
- Completion of a minimum of 48 credit hours of graduate coursework
- Completion of the thesis or non-thesis option curriculum

Computer Engineering Core Courses

Dept Name	Course Number	Qtr Hrs	Course Title	Waived	Trans	Grade	Qtr/Yr Taken
CEG	702	4	Advanced Computer Networks				
CEG	720	4	Computer Architecture				
CEG	730	4	Distributed Computing Principles				
CEG	770	4	Computer Engineering Mathematics				

To complete the program, the requirements for the remaining 32 hours are determined by the selection of the thesis or non-thesis option.

Thesis Option:

- At least 4 additional credit hours of course work at the 700/800 level.
- A maximum of 12 hours of independent study and thesis research may be counted toward the degree.

Non-thesis Option:

- At least 16 additional credit hours of course work at the 700/800 level.
- A maximum of 4 hours of independent study may be counted toward the degree.

Remaining 32 Hours

Dept Name	Course Number	Qtr Hrs	Course Title	Waived	Trans	Grade	Qtr/Yr Taken

ADDITIONAL CLASSES AND PREREQUISITES

All other classes including prerequisites required for admission.

Dept. Name	Course Number	Qtr Hrs	Course Title	Waived	Trans	Grade	Qtr/Yr Taken

Total Hours Required in Program	

A student's program of study must be approved by the Department of Computer Science and Engineering and the School of Graduate Studies. Students must satisfy all Department, College, and University requirements.

Transfer Credit: A program may contain at most twelve hours of transfer credit and at most twenty four hours of credit taken at Wright State in nondegree status.

Three "C" rule: A graduate student who receives 9 or more credit hours of grades C, D, F, or U in computer science and computer engineering graduate courses will be recommended for dismissal from the degree program.

Listed below is a summary of the requirements graduate students must complete to earn a Master of Science in Computer Engineering degree at Wright State University.

1. Have an approved Program of Study on file.
2. Complete the requirements for the graduate degree within seven calendar years.
3. Achieve a cumulative grade point average of at least a 3.0 in all courses taken for graduate credit.
4. A graduate student in the thesis option must be registered in the quarter the thesis is defended and present an approved thesis to the School of Graduate Studies.

The Department reserves the right to revise the program of study in response to changes in the field and in the curriculum.
