

EE482 Prototype Testing Presentation Evaluation Form

Name of Evaluator: _____, Signature _____

Evaluation Points:

- Are you satisfied with the prototype product development?
- Does the group explain clearly their testing process and data collection methods?
- Do you think their testing and analyzing methods are valid and complete?
- Based on the analysis of their testing results and the proposed remedy, are you convinced that their final product can meet the original objectives and specifications?

Use the backside to write the comments/suggestions corresponding to the grade that you assigned to each group.
