Question #1: Please comment on aspects of the instructor's teaching, such as clarity of explanations and examples, handling of questions, stimulation of thinking, and respect for individuals and their differences.

- "Examples given on board were thorough enough for me to be able to do the homework with limited consultation."
- "The enthusiasm helped plus his ability to explain subject matter."
- "Dr. Thomas was very approachable and helpful when it came to questions. I enjoyed his teaching."
- "N/A"
- "Really good teacher but the test were a little hard but fair."
- "Dr. Scott is awesome. Explains everything well and I learned a lot from him."
- "Pretty clear but goes to fast. Teaching 100 mph."
- "I know he likes to lecture a little & then show examples, but more lecture sometimes would have been helpful."
- "☺"
- "☺"
- "Very energetic when teaching and always positive. Very respectful and cares about the whole class."

- "I learned from the book more than from the instr. The instructor is so fast that I can't keep with him."
- "Useful examples and fair exams."
- "I liked having the HW answers in the back, helped my learn the right process of solving the problems."
- "Teacher was very hard, but I learned a lot."
- "Dr. Thomas always answered all of our questions and gave good examples to help us understand the materials."
- "Class pace is extremely quick, but once you get used to what the teacher is asking for it's not so bad."
- "Thomas has a clear way of teaching and you can tell he wants his students to succeed."
- "Talked and did problems way to fast."
- "Did plenty of examples."

Question #2: Did the instructor aid in your understanding of this subject? Please give specific examples consistent with your response.
