STUDENT COMMENTS (from back side of evaluation forms)

Please comment on aspects of the instructor's teaching, such as clarity of explanations and examples, handling of questions, stimulation of thinking, and respect for individuals and their differences.

- "Class examples are great. Exams went well with the homework and class examples. Glad homework is worth a lot"
- "Scott is terrific at all of those items. He is an expert at fielding questions and won't give up until the answer is clear"
- "Very clear explanation, plentiful example, very responsive to questions"
- "Very good explanations, was always willing to stop to answer a question. The examples problems were very helpful"
- "Dr. Thomas is a gifted teacher who takes his job seriously. The quality of his instruction has surpassed my expectations. He always seems to know of real-life examples of the work we are doing and answers all questions with the same degree of respect"
- "Very clear, handles questions very well, gets the class thinking and engaged as he talks about examples"

Did the instructor aid in your understanding of this subject? Please give specific examples consistent with your response.

- "Yes. Dr. Thomas assigns helpful coursework and covers material in-class to aid in student understanding"
- "The teacher did aid in my understanding of the subject. The explanations were clear and he allowed questions if it was not clear"
- "Yes, the instructor helped me to better understand the material using practical and easy to comprehend examples that showed the topics in an informative way"
- "Absolutely. I used his office hours several times when stuck and I was always given terrific guidance"
- "Yes, I met with him several times online (blackboard) and he was extremely helpful"

Please comment further on any of the items which you were asked about in this evaluation.

- "The blackboard experience is a little cumbersome, but Scott did well not to let it interfere with the class"
- "Attending online classes using Blackboard was much better than just watching a lecture online"
